## Community Code of Conduct

We understand that campers attending Camp Geshher must abide by standards of conduct and behaviour. Campers who breach the Code of Conduct or break any of the program's rules will be dismissed from the program and parents/guardians will receive no refund of fees.

Community Members must:

- Be an active participant in the entire program
- Abide by the rules set out by Camp Geshher's counselors and professional staff
- Be respectful of all Campers and staff. This includes protecting each camper and staff's privacy and not participating in gossip and spreading of rumours verbally or on social media, while at camp and throughout the year.
- Follow Camp Geshher's electronic communication device policy, which states that any electronic or device that can be used for the purpose of texting, gaming, social media communication, or logging on to the internet will not be allowed. If the camper chooses to bring such a device, it will be confiscated. Camp Geshher assumes no liability for electronics brought to camp, including confiscated electronics. Any confiscated electronics will be returned to the camper upon departure from Camp Geshher.

Grounds for dismissal include but are not limited to the following:

- Possession and/or consumption of alcoholic beverages or marijuana
- Possession and/or consumption of tobacco products, including e-cigarettes and vaporizers (even if there is no nicotine)
- Any involvement with narcotics or other street drugs, or misuse of drugs prescribed by a doctor or other medical professional
- Possession of weapons of any kind, including knives that may be "camping knives"
- Any destructive behaviour, as determined by Camp Geshher staff
- Repeated displays of disrespect for Camp Geshher staff, peers and/or the program
- Vandalism, destruction or any other criminal acts
- Endangering the mental or physical health of individuals

The decision to dismiss a camper for breaching this Code of Conduct is made by a Camp Geshher Director after careful consideration and in the best interests of the camper and Camp Geshher. Parents/guardians are responsible for the full cost related to sending a dismissed camper home. Parents/guardians will be notified of a dismissal and will pick-up their camper at a specified location.
